

Tonight's forecast: Hypothermia

Last night the temperature in the UK was as low as -12°C.

Tonight, a homeless person could die. No one should have to sleep on our streets, especially on the coldest nights of the year.

Please give £25 to Emmaus today.

Emmaus is like no other homeless organisation in the UK. We don't just provide food and accommodation. We help homeless people rebuild their lives.

There's so much more to Emmaus than a safe place to sleep. See for yourself at

Homelessness cuts lives short.

A gift of £25 can help give a homeless person their life back.

You can donate online at www.coldestnights.co.uk or by Cheque/Postal Order/CAF Voucher
