APL APPEAL 2013

The Lycée Français Charles de Gaulle in London needs your support in maintaining its high standards of education and improving the school environment for all its pupils.

The Parents' Association of the Lycée (APL) is now launching its 2013 Fund-Raising Campaign to support the Lycée and its families through the following charities:

Friends of the Lycée supports French and bilingual education by funding essential equipment and improving school facilities. The charity also aims to provide scholarships and fund educational activities & services. In 2012, we raised £86,000 and contributed to the renovation of the "Salle Iselin" conference room, the soundproofing of a classroom, the purchase of interactive boards...

APL Welfare Fund supports families in financial difficulty by contributing towards school fees. Last year, £48,000 enabled 30 children to continue their studies at the Lycée.
