APL APPEAL 2015

The Lycée Français Charles de Gaulle in London needs your support to maintain its high standards of education and improve the school environment for its pupils.

The Parents' Association of the Lycée (APL) is launching its **2015 Fundraising Campaign** to help the Lycée and assist families on behalf of the following charities:

Friends of the Lycée supports French and bilingual education by funding essential teaching equipment and improving school facilities. It also aims to provide scholarships and fund educational activities and services. In 2014, we raised over £100,000 and contributed to the renovation of the school canteen facilities, a computer room and the purchase of tablets for the primary schools.

APL Welfare Fund assists families going through financial difficulties by contributing towards school fees. Last year, £49,000 enabled 58 children to continue their studies at the Lycée.
